

16"
(406mm)

The diagram shows a technical drawing of a pendant light fixture. It consists of a circular ceiling mount at the top, a long vertical stem, and a semi-circular light shade at the bottom. The stem has a cable and a small rectangular component visible inside. The light shade has three internal reflectors shown with dashed lines. Dimension lines with arrows indicate the height from the ceiling to the top of the shade (16" / 406mm), the diameter of the shade (Ø31" / 787mm), and the maximum height from the ceiling to the bottom of the shade (90" / 2286mm).
